Have you watched “The Chosen”?

“The Chosen” is an American Christian historical television series. It is a multi-season series that centers on Jesus and the people who met and followed him.

The First Season, set in Galilee, portrays Jesus beginning to build his group of disciples and develop his ministry.

In the Second Season, Jesus continues to build his group of students as they travel around the region. Jesus continues to perform miracles and prepares for the Sermon on the Mount.

In season three, the group returns to Capernaum. The increasing popularity of Jesus worries the local societal and political groups. Jesus sends his disciples to preach and perform miracles without him.

FPC Fond du Lac is licensed to show The Chosen Season Four! You can get caught up on the first three seasons this summer and watch Season 4 with your fellow church friends. There are two convenient times to watch each episode (Sundays and Tuesdays).

Look what happened at the end of May at
First Presbyterian Church!
New, more efficient, more cost-effective lighting!

A huge lift was needed to do the work in the sanctuary. There was absolutely no room for error going in and out of the church!

LED Light bulbs of all different sizes and shapes were used to brighten our Sanctuary and Narthex.

THIS is why the extra-large lift was needed.

The new lighting looks amazing!
Wait until you see what a difference it makes!
