“A Resolution and Hope for the New Year”

¹¹May you be made strong with all the strength that comes from his glorious power, and may you be prepared to endure everything with patience, while joyfully ¹²giving thanks to the Father, who has enabled you to share in the inheritance of the saints in the light. ¹³He has rescued us from the power of darkness and transferred us into the kingdom of his beloved Son, ¹⁴in whom we have redemption, the forgiveness of sins.

Colossians 1:11-14

Most New Year's resolutions have to do with the “outside” in our lives, that we will exercise more, eat less, work harder, and in other ways do the things we know we ought to do. However, we aren't really committed to doing these things, or else we wouldn't be resolving to do them in the New Year! One area worthy of making a special effort, that influences all our lives, is our inner strength. Many things we do, that we wish later we hadn't, stem from weakness in our inner sense of self. We try to gain strength from external things, whether it be eating, drinking, or those trophies that we place in our lives (possessions, trendy items, etc.). If we had more inner strength and personal sense of who we are in Christ, we would be empowered to make more healthy decisions.

What trips us up in our relationships, our commitments and our values are not the “sprints” but the marathons. We can handle the brief bouts of adversity and even feel very good about how we dealt with that one short conflict or temptation. What gets us is - time.

There was a woman whose co-worker caused so much turmoil that she was thinking of quitting the job that she liked in every other way. The issue was the condescending attitude, from her co-worker, that caused her to react with contempt. There was never a single “thing”, but it was persistent. After two years, it was causing this woman to really dislike the person she was becoming in order to deal with her coworker. Some time ago this woman made the decision to add some daily practices to combat the issue - prayer, a devotional written for difficult relationships, and meditation. When you are in a difficult relationship, you can't change the other people, but you can do something about yourself. She has been consistent in her practices and three months later, the rewards are now driving the practice. When she slacks off, she feels it, and she loses her “armor of light.” Working on our own personal growth is much more rewarding than focusing on adding new activities that we hope will make us feel good about ourselves. Consider some inner exercises.

We don't have to take on major activities or practices. A great place to begin is resolving to start each morning with a time of praying for the people we anticipate meeting in the day, particularly the places where there may be specific needs like grief, sadness, fear, or conflict. Praying mainly for people who trouble us, challenge us, or cause us to be uncomfortable for five minutes each day has a remarkable ability to change us and to support healing for them. Consider a daily reading or exercise that will redirect your attitude or focus for the day.

It's a new year. This is a good time to celebrate all that is new by opening ourselves to God doing something new within us. Working to improve the inside tends to make it much easier to do things about all that is external.

Peace,
Pastor Jack

Coming Up in Worship

01/05/2020

Sermon: "The Light Appears"

Theme: God's light is the gift of experiencing the will of God which brings healing and peace to all who will receive him.

Purpose: The congregation will experience awareness of God's love for all people.

Scriptures: Ephesians 1:3-14 The plan of God is for all to experience wholeness and salvation.

John 1:1-18 The Word of God, came into the world, and for all who will receive him gives the power to know eternal life.

Questions:

What does it mean to us that the "Word became flesh and dwelt among us?" What is the wisdom or knowledge that comes to us through Christ Jesus being the "Light shining in the darkness?" How do people experience that light? What is the darkness in which people dwell? What does it mean to set our hope on Christ? How do we experience the light in a way that gives us hope when things are difficult?

01/12/2020

Sermon: "God's Promise of New Life"

Theme: We are renewed by the promise that God's love will sustain us and keep us close.

Purpose: The congregation will find confidence through God's love and approval for every one of us.

Scriptures: Isaiah 42:1-9 God will give light to the covenant people and keep them safe.

Matthew 3:13-17 Jesus was baptized by John in the Jordan - God identifies Jesus as blessed and love.

Questions:

What does our baptism mean to us now that we are grown up and older? How does our baptism continue to be a source of new life? If Jesus was sinless what does his baptism mean for us? What is the difference between God sending Jesus to stand with sinners and God being a punishing judge? How does the love and compassion of Jesus enable us to grow in our faith? What does it mean to worship Christ who was humble and accepting of people who were flawed and challenged?

01/19/2020

Sermon: "God's Promise to Know Us"

Theme: God's love is a present strength to all those who open their hearts to the loving kindness and compassion that God wants to share through us to all people.

Purpose: The Congregation will examine and open themselves in their trust in God's loving care for them.

Scriptures: 1 Corinthians 1:1-9 God knows you and has promised to strengthen you.

John 1:29-42 Jesus' call of his disciples knowing their strengths and weaknesses.

Questions:

What does it really mean that God loves us? Does God really know what we need or is God too distant from us to be able to know much about us? How do we perceive God's nature as far as being present and caring? What strength do we gain through trusting in God's love and knowledge for us? Do we trust that God can know us and accept us? How do we deal with our feelings of guilt and fear that separate us from God?

Sermon: "God's Promise of a Purpose"

Theme: Our relationship with God and with one another in the church is dependent on our taking part in sharing the love and grace of God rather than focusing on our control or getting our way.

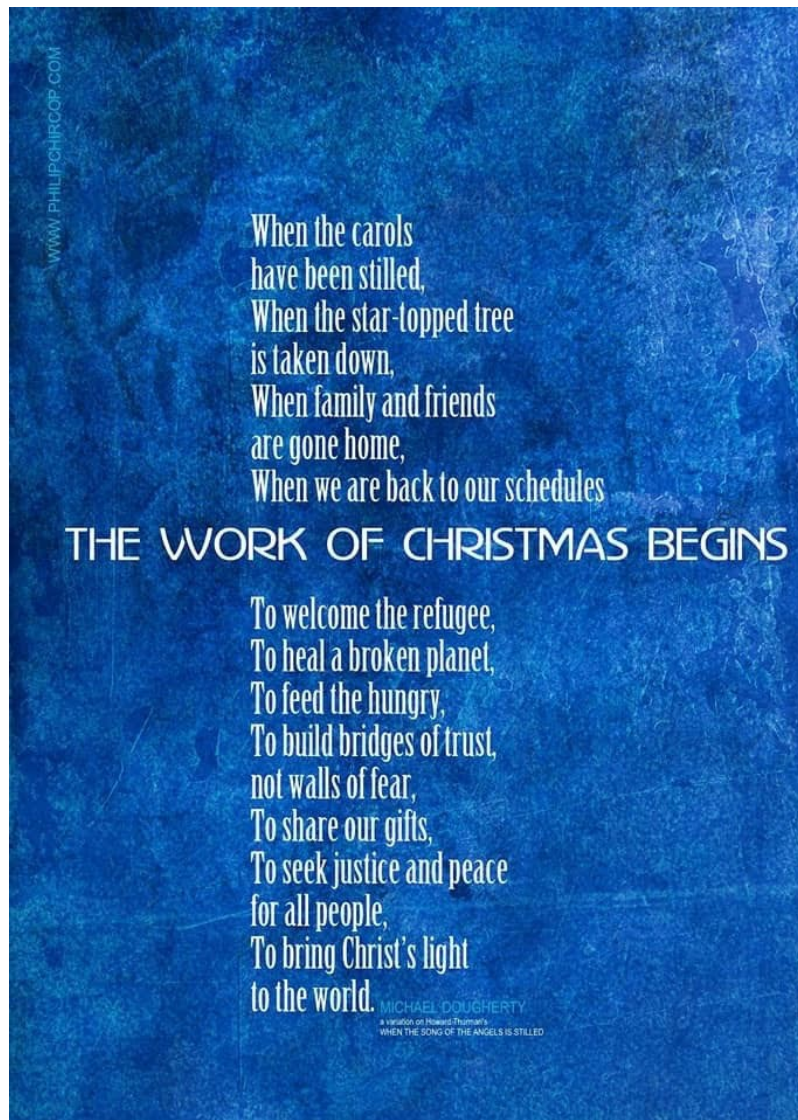

Purpose: The congregation will consider their particular role of ministry versus falling into distractions.

Scriptures: Isaiah 9:1-4 God will shine a light to all people which will lead to hope and celebration.

Matthew 4:12-23 Jesus calls the disciples to be "fishers of men."

Questions:

Why did the disciples choose to follow Jesus? What does it mean for us to follow Jesus and to be a disciple? How does our need to serve God by using our particular gifts affect our relationships with Christ and with other Christians? How does our need to offer light into darkness differ from proselytizing or telling people what to believe? What is the joy of serving God (isn't it work)? How do we enter into a relationship in which we are part of the light rather than serving obligations to do work for God?

January 15 - Loaves &
Fishes

Thank you for your generous donations to our Loaves and Fishes ministry. We will be serving Loaves and Fishes again on Wednesday, January 15 from 4:00-7:00pm. If you are available to help prepare, serve, or clean up after the meal, please contact the church office.

Dessert donations are always needed, too. Desserts need to be at the church by noon on Wednesday.

For the past two decades, the Loaves & Fishes program has been providing a warm, nutritional meal and genuine hospitality for the needy of Fond du Lac. Twice a week, a group of volunteers has gathered to serve from 150 to 250 meals to anyone who comes to the door. Hundreds of volunteers have taken turns pitching in to prepare these meals, serve the guests and clean up afterwards.

Each meal is prepared and served by 20 to 40 volunteers. The volunteers are from area churches and other organizations.

Sometimes the meal recipients may not be hungry for food but are longing for companionship. Lonely people are hungry too; we never judge.

January 23 - Blood Drive

During the post-holiday season, please consider making another type of donation!

The Blood Center of Wisconsin will conduct a blood drive at First Presbyterian on Thursday, January 23, from 2 pm to 6 pm. Click [here](#) to register online or you can sign up in the Narthex.

Interesting facts: One unit of blood is roughly equal to one pint. The average individual has 1-1.5 gallons of blood in their body. A baby is born with about 1 cup of blood.

Donors are always encouraged to drink plenty of water and have a snack before donating. We'll provide a sandwich, snacks and beverage when donation is completed.

Coffee Hour

Every Sunday 9:15-10:15

Please volunteer to host.

Hosts are needed for January!

The Presbyterian Hymnal

In 2013 a new Presbyterian Hymnal was introduced. Recently conversation took place at the Loving Team gathering and at the latest Session meeting. A decision was made to use Music memorial fund monies to purchase the electronic version of this hymnal. Purchase of this version will give us the ability to project words and music on the screen and is considered an additional resource to our present blue hymnal. Purchase of hard copy books will be considered as input from members comes forth on the need and desire to have printed books. More information regarding the hymnal can be found by clicking [here](#).

Why Another New Hymnal?

Can you finish the lines of these hymns?

- Then sings my soul, my Savior, God, to Thee, _____
- Let us talents and _____
- Lift High _____

These hymns in question were unfamiliar to Presbyterian congregations when the “new blue” hymnal appeared in 1990. Had churches never adopted that resource, these songs – and many others would have remained outside the shared worship life of PC(USA) congregations. Over the last decades of the twentieth century and the first decades of the twenty-first century, the field of church music has witnessed an unprecedented outpouring of creativity. Who among us, would presume to “quench the Spirit” (1 Thess. 5:19), bolting the sanctuary doors against fresh inspiration under the assumption that the old hymns and songs are all we need? Like our parents, grandparents, and great-grandparents who lived to see the advent of new hymnals we can face such times of transition with eagerness and confidence. We can do so because we firmly believe, to cite again A Brief Statement of Faith that “the same Spirit who inspired the prophets and apostles” continues to “Rule our life and faith.”

Come, Thou Almighty King

Glory to God #2

1. Come, thou al - might - y King,
help us thy name to sing;
help us to praise:

TEXT: Collection of Hymns for Social Worship, 1757, alt.
MUSIC (ITALIAN HYMN 6.6.4.6.6.6.4): Felice de Giardini, 1769, alt.

February 2 - Souper Bowl of Caring 2020

On Sunday February 2nd, millions of Americans will tune in to the Super Bowl football game. There will be parties with abundant food, friendship and fellowship. At the same time, there will be people worrying about staying warm, finding shelter and a warm meal. Please join our young people, and young people around the country, as they demonstrate God's love by loving their neighbors through the Souper Bowl of Caring. It's a simple, yet significant act of caring for others. Please bring food/health products or drop \$1 (or more) in the soup pot as you leave worship on February 2nd.

Our young people are developing hearts for giving that can last a lifetime. Please support their efforts! **All money and food collected will stay right here in the Fond du Lac area.** Since the Souper Bowl of Caring began in 1990, more than \$110 million has been raised for local charities across the country. It has become a powerful movement that is transforming the time around the "Big Game" into the nation's largest celebration of giving and serving.

Over the years, PYA at the First Presbyterian Church Fond du Lac have collected \$5020 and 1374 food items in conjunction to Souper Bowl of Caring. **All money and food collected will stay right here in the Fond du Lac area. Last year we donated 101 food items and \$400 to the Fond du Lac Food Pantry.** Please support the youth of our church in this effort to "love our neighbors" by dropping your dollar in the soup pot on February 2nd.

February 9 - Financial Peace University

Financial Peace University (FPU) is a 9-week life-changing program that will teach you how to achieve your financial goals by eliminating debt, saving for the future, and giving like never before. The purpose of FPU is more than sharing of information, we also strive for transformation. It is a video presentation of Mr. Ramsey's tried and true principles for financial success. It is an opportunity to get expert training whether you need financial guidance or are already savvy.

Class members meet with their class each week to watch a video lesson from world-renowned financial expert Dave Ramsey. After the informational video, the class participates in discussion groups. Dave's style is simple and easy to understand. He will change the way you think about money and you'll actually have fun as you learn!

The classes will be on Sunday evenings at 6:00 to 7:30 for nine weeks starting on February 9, 2020.

The cost is \$75.00 for individuals or per family (ages 12 and up living in the same household). The registration fee includes access to online videos (for one year), an app, a workbook, and Dave Ramsey's book, *Complete Guide to Money*.

Through Financial Peace University, you will be challenged and motivated to make a plan for your money that can change your life and legacy forever! Space is limited so register now.

There is a sign-up sheet at the Welcome Center. If you have any questions, please contact Wendy Wilcox, 920.922.0162 or by email at wwilcox@excel.net.

Christmas Cantata “The Winter Rose”

How blessed we were, this year, to be able to collaborate with Immanuel-Trinity for our Christmas Cantata.

The beautiful music, cooperation and pooling of resources allowed us to sing at both churches and share the Christmas story with twice as many people.

We look forward to other opportunities to work together as we head into the New Year.

Christmas Eve Angel

At the 5:00pm Christmas Eve Service, the angel Gabriel appeared to Zechariah (Father of John the Baptist), Mary (Mother of Jesus), the Shepherds and the Magi, with a special message for each of them.

Special thanks to the cast who played these parts.

Mitten Tree!

We are collecting hats, scarves, socks and mittens for all ages. Please help those in need stay warm this winter.

You can place your donations on the tree in the Narthex. If the tree is too full, you can place your items in the basket.

Thank you for your help!

Growing Connections is our ministry of learning opportunities for adults. We seek to grow in relationship, wisdom, and understanding – all of the connections that enable us to know Christ more fully and discover our mission in the world. Growing Connections opportunities will focus on learning about our relationships and how we grow in faith, as well as, mission opportunities.

We are “Christians, Serving, Learning and Loving.” This is an opportunity to grow in faith as we learn more about ourselves, how Christ is reaching out to the world, and how we may use our gifts as the Body of Christ.

Financial Update

We are excited to share our finances at this half-year point in our fiscal year. The shift of our fiscal and programming year to begin and end at the end of June has made it much easier to see how our year has been progressing. There is much to share and to appreciate how we are doing.

Our anticipated budget put us with a projected deficit of \$19,000. However, we have surpassed our expectations and are currently breaking-even in our income and expenditures. Ordinarily, we would have had to withdraw money from reserves by this time of the year. At this writing, we still have a healthy balance in the operating funds!

Our reserves and assets have also been doing well with our investments and use of other income (Head Start classroom rental and other miscellaneous income), so our cash position at this point is a positive \$182,00 compared to last year, at \$146,000. These funds allow us to balance our expenditures with our income.

Much of what has changed over the past few years, is the increase in donations through online giving, electronic funds transfers (EFT), and other planned giving. We have moved to a point where approximately 65% of our pledges and giving occurs through some type of electronic giving. As a result, we haven't experienced the peaks and valleys of financial support, as we have in the past. Our hope is to see continued growth in electronic giving. It is truly the easiest and most convenient way for people to be consistent in their giving.

Capital Campaign

Highlights over the past six months have been in the outcome of our Capital Campaign and its support.

Gathering Room Flooring	\$18,300
New sound system	\$12,100
Parking Lot Repairs	\$10,800
Landscaping	\$4,300
Playground Mulch	\$600
New Smoke Detectors	\$3,500
Total	\$49,600

Funds used for covering expenses

\$23,000 in original Capital Restricted Fund	
\$5,000 from Endowment	
\$16,720 Fund Raiser	
Total	\$44,720

The remaining \$4,480 will come from our general funds.

The support from many congregation members has enabled us to do significant work on the facility to keep it up to date without having to draw from reserves or from reducing our money for our general mission and ministry.

Christians Serving, Learning and Loving

Financial Update (continued)

Mission Giving

We are excited to see a significant increase in our congregation's activity and participation in Mission, over the past six months. Specific designated funds we have disbursed include the following:

Geller funds (\$9,500)

- Presbyterian Disaster Assistance - \$4,000 (in two disbursements to support Hurricane Dorian relief)
- Solution Center - \$2,500
- Arc of Fond du Lac - \$1,000
- Loaves and Fishes - \$750
- St. Vincent de Paul - \$750
- NAMI - \$500

Church's General budget money - \$3,000

- Thanksgiving meals for non-residents at Mental Health Center/Angel Tree - \$1,000
- South Sudan - \$1,000
- Advocap - Family needs and/or summer programs - \$1,000

These funds do not include the special offerings and other designated mission money given through the church. Through these offerings we are pleased to have seen an increase in participation with the church in Advocap, connection with Leisa Wagstaff (PCUSA worker in South Sudan), Solution Center, and other missions in the community. We are excited to see this increase as we continue to develop more connections with local services in Fond du Lac.

Our overall financial outcome can be described as "better than anticipated." One area we feel needs further explanation and information is Per Capita giving. Not all members understand that we pay \$37.00 per member, to the denomination. Some members prefer that we simply take their Per Capita portion from their regular giving. In the past, some congregants have made an additional gift to cover the Per Capita costs. That additional gift has decreased by about \$8,000, this year!

The purpose of the Per Capita system is to identify the costs of supporting the work of the General Assembly, Synod (Lakes and Prairies) and the Presbytery (Winnebago). In our region, our Presbytery Per Capita has been used to support programs such as Fall Camp (which has been appreciated by our Youth), outreach to the Presbytery of Uruba in Columbia, and the Presbytery's support for our licensing for music. Other Synod benefits are Synod school and other resources available to support small churches in our region. General Assembly provides a wide range of resources on developing giving, professional direction, and guidance in operation. Per Capita maintains our connection and relationships as a church.

Thank you to all who support FDL Presbyterian ministry

Above all we want to express our gratitude to everyone who supports the work of our congregation. We are able to faithfully serve Jesus, Our Savior, in the lives of individuals and families through our consistent and committed giving of money, time, and creativity that enables us to maintain effective worship, faith development, and mission work. We are grateful for all of the time and effort that creates a powerful force in serving Christ together.

Ushering is an opportunity to serve God by serving His people. It's a great way to actively and faithfully participate in the functioning of our church.

Good ushers are "people-persons" who help make our members and visitors feel welcome and appreciated. Ushering is a privilege to serve your church and your congregation. Ushers' help make everyone's church experience a positive one.

Next to the minister, the organist, and choir, ushers have the most important task to perform in the worship service!
