Session Highlights

Session met for the first time with Reverend Matt Sauer as moderator. Pastor Matt is the pastor at First Presbyterian Church in Manitowoc and has offered to lead our Session meetings for the next six months. Hopefully, we will have our own pastor by then but in the meantime, we are appreciative of Pastor Matt's leadership during this time.

Session heard a report that the church staff is considering moving to a weekly newsletter rather than a monthly one. A weekly message is already being sent out. It would become more substantive. Church staff is continuing to work on this.

The Worship Team is considering holding more outdoor worship services over the summer, possibly monthly. Session is looking forward to that. Session also authorized the Worship Team to explore the cost of replacing the electronic drums in the sanctuary.

Session approved resuming blood drives in the church building. The Serving Team will work with the Blood Center of Wisconsin on this.

A plan for some upgrades to the church and the church property was presented by the Operations Team and approved by Session. The plan includes carpeting and countertop replacements in the education wing and landscaping updates. The work will be funded by designated dollars in the Memorial Fund.

Looking ahead at future property projects, the Operations Team is assessing how to move forward with replacement of the blacktop around the church. The current blacktop was installed when the church was built 25 years ago and needs replacement. Estimates to replace the blacktop are approximately \$130,000. It would cost more if we broke the work up into smaller chunks and spread it out over time. Session expects to hear more on this next month.

The next regular Session meeting is June 19. Please keep Session in your prayers. They are a hard-working group.

Prayerfully submitted,
Dave Erickson
Clerk of Session
